Re: Administrative Order Closure
Docket No. SDWA-08-2004-0017
PWS ID #WY5601525NC

Dear Mr. Bell:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), Docket No. SDWA-08-2004-0017, originally issued March 31, 2004, to Mr. Dale Bell, who owns and/or operates the Stateline Station Public Water System located in Crook County, Wyoming. This decision is based upon EPA's determination that the system has fulfilled the requirements of the Order.

Please be aware that you are required to comply with the National Primary Drinking Water Regulations (NPDWRs), 40 C.F.R. Part 141. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$32,500 per day of violation.

Thank you for your cooperation in resolving this issue. If you have any questions about your compliance requirements, please call Melanie Wasco of my staff at (303) 312-6540.

Sincerely,

Lisa Kahn, Team Leader
Drinking Water Enforcement Program
Office of Enforcement, Compliance
and Environmental Justice
